

Caring for Life

Emergency call centre

In an emergency minutes can make a difference. Simply press the SOS button to get the help you need fast.

We can connect you through to the police, fire department and access to a team of dedicated nurses and paramedics, a national complement of accredited medical assistance service providers who will assist with your medical emergency. The services include:

Medical Advice:

The call centre will guide you through a medical crisis, as well as provide you with emergency advice including referrals to crisis lines, doctors, clinics and hospitals in the area, advice on: Prescription medication, contra-indication of medicines, fevers, blurred vision, insomnia, headaches/ migraines, stomach aches, antibiotics, why not to take expired medication, treatment of abrasions, telephonic CPR, ear aches, allergies, women's / men's health, supplements, cramps.

Referrals to:

Closest Medical facilities, doctors within the client's area, closest medical transport, health Specialists

Medical Referrals:

In addition to the general medical advice service, one call to the same number will trigger the call centre medical professionals who will guide you through a medical crisis and provide you with emergency advice.

This program includes referrals to crisis lines in the case of: family and domestic abuse; rape; child abuse; bereavement; suicide hotline - life line; poison hotline - in house.

Emergency ambulances:

The call centre will arrange and coordinate the most appropriate method of emergency medical transportation for you **at our cost**. You will be transported to the nearest medical facility capable of providing you with adequate care including transportation by **road or air** ambulance (dependent on weather conditions and flight plans).

Trauma Assistance:

These services assist you when they require assistance as result of a traumatic event. Telephonic as well as face-to-face counselling (loss of a loved one, accident, robbery or hijacking).

Call Forwarding Service:

In the event that you need to make contact with one of your dedicated caretakers in an emergency situation, at the push of a button, the call centre will make contact with them and facilitate the necessary transfer. This is not limited to the contact numbers on your profile but the agents will also be able to make transfers to emergency government services such as the police department, fire department etc.

Guaranteed Hospital

A unique additional benefit to ensure you get the help you need when you need it.

If the ambulance we have dispatched to help you takes you to a hospital emergency centre **we will provide Access to the nearest appropriate medical facility to make sure that you are stabilised**.

T & C

Family plan

This includes a family of 5 with dependent children 18 years and younger living in the same home. A total of five people.

Roadside Assistance for two vehicles are included in the package

SOSreACTION®

Personal Emergency SOS Assistance at the touch of a button

This small pendant can save your life!

Your family can phone the pendant anytime to chat with you.

In an emergency simply press the SOS button on the pendant to get you the help you need.

Our assistant package includes your family (up to five people)

THE SOSREACTION PENDANT

Live in the home you love!

Simply press the SOS button on the pendant to speak to our operator to get the help you need when you need it.

If you need the police, fire department, have a medical emergency, help on the roadside or home, we can help.

When the SOS button is pressed it simultaneously sends a message with it's location to your designated caregiver and phones our 24 hour control room. Our operator will get you the help you need, when you need it.

You can even wear the pendant while showering.

I've fallen and I cant get up!

One press of the button to get the help you need!

If you need to police, fire or have a medical emergency we can help!

Living alone?

What will you do if you are suddenly ill. Who will help you? We Will.

The pendant monitors it's battery status and messages the caregiver a reminder to recharge the pendant.

It also checks its GPS location every 60 seconds and can be tracked on our dedicated app.

GEO FENCE

You can set a GEO fence which is an electronic area boundary that will set off an alarm if the pendant moves out of the designated pre set area.

You can rest assured your child or elderly parent is where they are supposed to be.

Additional pendants

Family members, listed on the registration form can order additional pendants, at a discount The pendant has a Vodacom sim.

SOSREACTION is ready to help you for that and more. If you perhaps have a chronic or any debilitating condition we are here for you.

Our complete assistance packages cover almost any problem including home and roadside assistance.

Non-member assistance:

If the you are at home and someone on the premises is in need of emergency assistance we can help on a pay for help basis for non members. If they have a medical aide we can claim for them.

Connection to police, fire, emergency medical help, emergency home assistance and country wide roadside assistance at the touch of a button

ROADSIDE ASSISTANCE

The call centre provides immediate access to a team of dedicated case managers, together with a national complement of accredited assistance service providers who will assist with roadside emergencies. This is only applicable when the service is requested through The call centre. Parts and repairs are not included. The services include: **Flat Battery:** The call centre will arrange to have the vehicle jump started. This service is offered whether the vehicle breaks down at home or on the road. Vehicles under warranty will be towed to the nearest franchise dealer.

Keys locked in Vehicle: The call centre will arrange for a locksmith to open the vehicle and retrieve the car keys. If the locksmith cannot resolve the problem at the scene, additional costs of towing or repairs are not covered.

Flat Tyre: The call centre will arrange to have the tyre changed using the spare tyre. In the event that there is no spare tyre, a tow truck can be arranged for client's account. These services are offered whether the vehicle breaks down at home

or on the road.

Run out of fuel: The call centre will arrange for fuel to be delivered to the client. We will supply up to 10 liters of fuel. This is limited to 2 incidents per annum. Additional fuel can be arranged at client's cost.

Mechanical and Electrical Breakdown:

The service provider will tow a vehicle to the nearest franchised dealer (if under warranty) or to the nearest repairer. These services are offered whether your vehicle breaks down at home or on the road.

Storage of vehicle: The call centre will arrange for the safe storage of the vehicle overnight or week-end where necessary. On the next working day, the vehicle will be relocated to the nearest approved dealer or repairer. Only the first tow covered. Additional tows are for the client's account.

EXTENDED ROADSIDE BENEFITS:

Should you find yourself stranded 100km from home because of a vehicle breakdown or an accident, The call centre will arrange one of the following services:

Transmission of Urgent Messages: The call centre will relay messages of delay or changed arrangements to a nominated family member, employee or business colleague at your client's request.

Courtesy Transport:

Where the vehicle needs to be towed to a repairer, The call centre will arrange for the occupants to be transported to their respective destinations. A rental vehicle can be arranged (your cost)

Hotel Accommodation: In the event of a breakdown or an accident that results in an overnight delay, The call centre will arrange hotel accommodation for the occupants of the vehicle at one of our selected providers in the area.(your cost)

24 HOUR EMERGENCY MEDICAL, ROAD AND HOME ASSISTANCE AT THE TOUCH OF A BUTTON

EMERGENCY HOME ASSISTANCE INCLUDED

Home Assistance programme provides assistance to you when you are involved in a Home Emergency. A Home Emergency means any sudden, unexpected and/or unforeseen event at your home requiring the immediate and/ or urgent services of a domestic tradesman to limit/ minimize or prevent further damage to the home.

This benefit is restricted to home emergencies and only applies to your **primary place of permanent residence or eligible premises**, within the Republic of South Africa and used for domestic purposes, including outbuildings.

Emergency Services Notification and Call-out: At your request our Assist Call Centre will relay a notification of emergencies to the Police, Traffic, Fire Brigade, Ambulance, Security or any other emergency service provider.

Mobile Notification Services: You will receive an SMS notifying you of the update on your active case. The details will be sent to your mobile phone after lodging a case: Name of Primary Case Manager, Reference Number (ease of calling in and enable anyone of the Assist Agents to intervene or provide further details to the caller member). Once a Service Provider has been appointed, the responding Service Provider details will be sent along with the ETA Any changes made to the case (new Service

Provider, additional requests – breakdown, needs a tow etc.), If there is a shift change, the details of your New Case Manager will also be sent

**Please note that each benefit will be managed on an individual basis and is highly dependent on traffic, weather and correct information received i.e. address or area of incident.*
